San Bernardino

# Benefits of IFMA Membership

**“Why join IFMA and what’s in it for me?” you may ask.**

IFMA offers opportunities for every stage of your career, so that you can perform at the highest level and is the number one recognized facility management association and their membership provides member benefits and opportunities essential to:

- Learn best practices.
- Accelerate and grow your career.
- Manage your facilities more efficiently.
- Lead teams and workplace projects.
- Define your career path and meeting your objectives.
- Increase your marketability in a competitive field.
- Contribute to the success of the business you support.

# Types of IFMA Memberships

## **Professional \$239/Yr. (Facility Management)**

FM Professionals are typically those in an O&M related Career, FM Job Seeker, or Other Workplace Professional, and most are skilled at Leadership & Management, Operations & Maintenance (O&M), Planning & Project Management, Quality Assessment & Innovation, Real Estate, and Technology.

## **Young Professional \$149/Yr.**

FM professionals ages 35 and under.

## **Military \$100/Yr.**

Active-duty military and first-year civilians.

## **Associate \$239/Yr. (Business Partners)**

Associate Members typically take on the roles of service or product providers for FM's covering Business Development; Sales and/or Marketing as a Consultant; Representation of a Manufacturer, Vendor, Dealer or Distributor; and/or Provider of Facility-Related Products and Services.

## **Discovery \$49/Yr.**

Anyone interested in FM or the built environment.

## **Student \$10/Yr.**

Full-time students at an accredited college or university.

# Benefits of Chapter Membership

Local chapter membership at **\$92/Year** takes your IFMA membership to a higher level with a local source of facility management education, information, and interaction, plus your IFMA chapter brings the association's vast resources directly to you. As a member of our local chapter, you benefit from:

- Sponsorship opportunities for Bronze, Silver, Gold and Platinum levels.
- Educational and social events, including career growth programs, facility tours and year-end celebration party.

# Benefits of Chapter Membership (cont.)

- Exclusive access to the chapter's member list and our 800+ IFMA Inland Empire FM/AM Community contact list which is a detailed Excel database for networking and marketing in the Inland Empire.
- Lunch and Learn meetings for new members and those that want to get the most out of their IFMA and chapter memberships.
- Support and study groups for those pursuing EoFM<sup>®</sup>, CFM<sup>®</sup>, FMP<sup>®</sup> and SFP<sup>®</sup> credentials.
- Chapter-specific websites focused on FM news and activities in your area.
- Opportunities to mentor FM students at local colleges and universities.
- Opportunities to give back to your community through chapter-organized projects and fundraisers.
- Opportunities to join chapter committees or serve in volunteer or leadership positions.

- Facility EV Charging Stations, Battery Energy Storage, Solar and Code Requirements
- Best Computer Aided Facility Management Programs for FM's
- Improving Indoor Air Quality (IAQ) Management and Controls
- Emergency and Disaster Preparation - Are You Ready?

# IFMA Credentials

Organizations highly value IFMA credentials and credentials and online learning help facility professionals from all backgrounds and experience levels develop the skills and mastery needed for career advancement.

- Essentials of Facility Management® (EoFM®)

- Facility Management Professional® (FMP®)

- Sustainability Facility Professional® (SFP®)

- Certified Facility Manager® (CFM®)

# Essentials of Facility Management

## **EoFM – Essentials of Facility Management**

- This FM essentials online course covers 10 learning modules and is the perfect course for professionals just entering the industry or transitioning from a different career.
- The goal is to introduce new leaders and train future-proof facility managers who use strategic planning as their guide for facility management.

**Cost is \$510 member price and \$590 non-member price, plus tax, or \$70 member / \$80 non-member per module. Online only, no in-person classes.**

# FMP – Facility Management Professional

## Become an FMP®

The knowledge-based Facility Management Professional credential will help accelerate your transition into the profession.

IFMA's Facility Management Professional (FMP) designation is a knowledge-based credential for FM professionals and industry suppliers looking to increase their depth-of-knowledge in the 4 core FM competencies deemed critical by employers. By earning your FMP credential, you will improve your knowledge, enhance your skills, and gain immediate credibility with employers, clients and peers.

**Cost is \$1,650 member price and \$1,990 non-member price, plus tax and shipping.**

# SFP – Sustainable Facility Professional

## Earn your SFP™

The Sustainable Facility Professional credential will help you operate your facility sustainably and positively impact your triple bottom line.

The Sustainable Facility Professional program is an assessment-based certificate program delivering a specialty credential in sustainability. By earning your SFP credential, you will develop and gain recognition for your expertise in sustainable FM practices while impacting your organization's economic, environmental and social bottom lines.

**Cost is \$1,150 member price and \$1,550 non-member price, plus tax and shipping.**

# CFM – Certified Facility Manager

Earn your CFM®

The Certified Facility Manager® (CFM) credential sets the industry standard for ensuring the knowledge and competence of practicing facility managers.

IFMA's certification process is designed to assess competency in the field through work experience, education and the ability to pass a comprehensive exam that covers 11 competencies that make up the facility management body of knowledge. Since the program began in 1992, more than 3,100 facility managers from 32 countries have achieved this prestigious recognition.

**Cost is \$595 member price and \$880 non-member price, plus tax and shipping.**

# IFMA Publications & Resources

For more than two decades, IFMA has produced publications that help facility managers increase their knowledge of the FM profession. From the award-winning *Facility Management Journal (FMJ)* to research reports, these publications are an excellent source for FMs at all levels who want to stay aware of the newest trends in the profession.

## IFMA PUBLICATIONS INCLUDE:

- [Facility Management Journal](#)
- [Blog FMJ](#)
- [The WIRE e-newsletter](#)
- [IFMA Insider e-newsletters](#)
- [Research reports](#)
- [How-to guides](#)
